DETAILED ACTION

Applicant's submission, filed 29 September 2008, has been entered and acknowledged by the examiner

Applicant's arguments have been fully considered and are persuasive. The rejections of the claims have been withdrawn.

Allowable Subject Matter

Claims 1-3,5-18 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose nor render obvious, in addition to the other limitations of the claims, a method of manufacturing a PDP, wherein in a process of forming a structure of the PDP, the structure is exposed twice wherein the first and second exposures differ in duration of exposure or intensity of light used in the exposure. Claims 1,2 are therefore allowed. Claims 3,5-18 are allowed as a result of their independence upon claim 1 or 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
